

CRITICAL INFORMATION SUMMARY

TPG NBN M BUNDLE

Only available to existing TPG internet customers

Service Description

TPG's NBN M Bundle service is delivered via the National Broadband Network (NBN) using FTTP, FTTB, FTTN, FTTC or HFC technology to the network boundary point of your premises.

TPG NBN M Bundle includes the following components:

- NBN Broadband
- Voice Service:
 - Unlimited Local calls – Excl. 13/1300 Calls
 - Unlimited Standard National Calls to Landlines

TPG NBN M Bundle is only available to existing TPG internet customers choosing to switch their internet service to this bundle at their current residential address ('Change of Plan') or at a new residential address ('Moving Home').

Important Note: If you choose to bring your own modem, you will receive a data-only NBN service. The Voice service component will not be included; and you will not be able to make or receive calls.

The service is a pre-paid service and bills are not issued. An additional prepayment is required if you wish to make any calls that are not included as part of your plan. Payment options are Direct Debit or Credit Card.

Minimum Term

The NBN M Bundle plans are supplied on either a no lock-in contract (customers are permitted to terminate the service by giving 30 days notice) or a 6-month contract term (early termination fees apply). See Minimum Total Cost applicable to each plan in the Information about Pricing section.

* Consists of peak (8:30am - 2:30am) and off peak (2:30am - 8:30am) monthly usage quota. Speed will be shaped for the period in which the monthly usage quota has been exceeded (peak and/or off peak). Downloads and uploads counted.

The 6-month contract term is available as an option for:

a) Moving Home – all existing TPG internet customers;

b) Change of Plan – existing TPG ADSL, FTTB, Home Wireless Broadband and 5G Home Broadband customers switching to this bundle.

Availability

The NBN M Bundle is available at selected coverage areas and subject to infrastructure availability at customer's premises. To check for availability, please use the address checker [here](#).

NBN Charges

New Development fee: \$300 will be charged to your bill if NBN has to activate a connection for the first time at a premises it classifies as a 'new development'. Other fees such as Missed appointment fee, Cancelled appointment fee, Subsequent installation fee and No Fault found fee may apply to you. We may also pass on any administrative costs that TPG incur in providing you with assistance or arranging an appointment with NBN. Please see your Plan Details for more information.

Bundling Arrangements

Once an NBN Bundle is purchased:

- The Change of Plan option is restricted to TPG NBN Bundle plans only and you cannot move back to a TPG ADSL2+/ADSL service.
- You cannot separately cancel an individual component of this NBN Bundle (NBN Broadband or Voice Service). Cancellation will cease both services.

NBN Speeds

Typical Evening Download Speeds are subject to change and are measured 7pm-11pm. Typical Evening Upload Speeds are estimated by reference to the maximum upload speed. The actual speeds for the service may be slower and vary due to many factors including type/source of content being downloaded, hardware and software configuration, the number of users and performance of interconnecting infrastructure not operated by TPG. Devices connected by Wi-Fi may experience slower speeds than those

connected by Ethernet cable. If you are a customer on a NBN FTTN/B/C connection, we'll inform you of your maximum attainable line speed for your service once we receive this information from NBN after activation. Should your maximum attainable line speed not be capable of reaching your plan speed, we'll provide you with options, including to downgrade or cancel your service for no extra charge and with a refund.

Equipment Required

If you do not already have the required NBN infrastructure installed at your premises, you or an authorised person over 18 years of age will be required to be home on the day of installation for a technician visit. If we find that you will require a technician visit to perform the installation, we will advise you of the date and time after registration. You need an NBN compatible modem to connect your devices to TPG NBN Broadband service.

To be provided a working Voice Service, you need a standard phone handset (approved for use in Australia) and you must choose the option with TPG modem included. If you are an existing TPG NBN customer you may be able to use your existing modem – we will advise you if your modem is compatible during your registration. When you connect to NBN certain equipment or services at your premises may be impacted and no

longer operate. These include medical devices, alarms, EFTPOS machines, lift emergency phones and some email or fax services. Please contact the equipment manufacturer or service provider if you are unsure.

Inclusions & Exclusion

Non-commercial purposes: The service is for residential consumers and used for personal or domestic purposes only.

Voice Service Included Calls: The NBN M Bundle allows you to make unlimited Local Calls and unlimited Standard National Calls to Landlines, excluding 13/1300 Calls. Calls to 19/1900 numbers are not supported. Charges for calls made that are not included in the bundle (e.g. calls to 13/1300, AU Mobile numbers and Directory Services) will be charged at listed TPG rates by deducting usage charges from your prepaid balance. **Standard International Call Rates** apply for calls to satellite phones and international calls.

CSG Waiver: The standard Monthly Charge and Setup pricing stated in the Information about Pricing section are based on new customers agreeing to waive the Customer Service Guarantee (CSG).
