

## Information about the Service

### Service Description

The Oz Chat Bundle is an ADSL2+ and Home Phone bundle which is delivered via TPG's own network infrastructure, where the call is not carried over a broadband connection but rather, like conventional telephony, is carried directly over the copper pair between the customer premises and TPG switching equipment.

The Oz Chat Bundle includes the following components:

- Unlimited ADSL2+
- Home Phone Line Rental
  - o Unlimited Local Calls - Incl. 13/1300 Numbers
  - o Unlimited Standard National Calls to Landlines
  - o Unlimited Calls to Standard Australian Mobiles

The Service is a pre-paid service and bills are not issued. Prepayment (including a \$20 Home Phone Prepayment Outside Included Value) is by automatic top-up.

### Availability

The Oz Chat Bundle is only available at selected TPG ADSL2+ coverage areas & subject to infrastructure availability at customer's premises.

### Bundling Arrangements
