

Information about the Service

Service Description

The Super Chat Bundle is an ADSL2+ and Home Phone bundle which is delivered via TPG's own network infrastructure, where the call is not carried over a broadband connection but rather, like conventional telephony, is carried directly over the copper pair between the customer premises and TPG switching equipment.

The Super Chat Bundle includes the following components:

- Unlimited ADSL2+
- Home Phone Line Rental
 - o Unlimited Local Calls – Incl. 13/1300 Numbers
 - o Unlimited Standard National Calls to Landlines
 - o 100 International Minutes Per Month

The Service is a pre-paid service and bills are not issued. Prepayment (including a \$20 Home Phone Prepayment Outside Included Value) is by automatic top-up.

Availability

The Super Chat Bundle is only available at selected TPG ADSL2+ coverage areas & subject to infrastructure availability at customer's premises.
