

# CRITICAL INFORMATION SUMMARY

## TPG NBN FIXED WIRELESS SL BUNDLE

### Service Description

TPG's NBN Fixed Wireless SL Bundle service is delivered via the National Broadband Network (NBN) to the network boundary point of your premises.

TPG NBN Fixed Wireless SL Bundle includes the following components:

- NBN Broadband using the Fixed Wireless network
- Voice Service (no included calls)

**Important Note:** If you choose to bring your own modem, you will receive a data-only NBN service. The Voice service component will not be included; and you will not be able to make or receive calls.

The service is a pre-paid service and bills are not issued. An additional prepayment is required if you wish to make any calls that are not included as part of your plan. Payment options are Direct Debit or Credit Card.

### Minimum Term

The NBN Fixed Wireless SL Bundle plans are supplied on a no lock-in contract. Customers are permitted to terminate the service by giving 30 days notice. See Minimum Total Cost applicable to each plan in the Information about Pricing section.

Change of Plan Fee	Standard change of plan fee set out on <a href="#">Additional Pricing</a> page
Moving Home Fee	Standard moving home fee set out on <a href="#">Additional Pricing</a> page

### Availability

The NBN Fixed Wireless SL Bundle is available at selected coverage areas and subject to infrastructure availability at customer's premises. To check for availability, please use the address checker [here](#).

### Bundling Arrangements

Once an NBN Fixed Wireless Bundle is purchased:

- Change of plan option is restricted to TPG NBN Fixed Wireless Bundle plans only and you cannot move back to a TPG ADSL2+/ADSL service.
- You cannot separately cancel either component (NBN Broadband or Voice Service). Cancellation will cease both services.

### NBN Speeds

Typical Evening Download Speed is measured between 7pm and 11pm. Actual throughput speeds may be slower and could vary due to various factors including type/source of content being downloaded, hardware and software configuration, the number of users and performance of interconnecting infrastructure not operated by TPG. Devices connected by Wi-Fi may experience slower speeds than those connected by Ethernet cable.

### Equipment Required

If you do not already have the required NBN infrastructure installed at your premises, you or an authorised person over 18 years of age will be required to be home on the day of installation for a technician visit. If we find that you will require a technician visit to perform the installation, we will advise you of the date and time after registration. You need an NBN compatible modem to connect your devices to TPG NBN Fixed Wireless Broadband service.

To be provided a working Voice Service, you need a standard phone handset (approved for use in Australia) and you must choose the option with TPG modem included. If you are an existing TPG NBN customer you may be able to use your existing modem – we will advise you if your modem is compatible during your registration.

### Inclusions & Exclusions

**Non-commercial purposes:** The service is for residential consumers and used for personal or domestic purposes only.

**Voice Service Included Calls:** Charges for calls are not included in the NBN Fixed Wireless SL Bundle plan and will be charged at [listed TPG rates](#) on a 'pay as you go' basis and deducted from your prepaid balance. Calls to 19/1900 numbers are not supported. [Standard International Call Rates](#) apply for calls to satellite phones and international calls.

**CSG Waiver:** The standard Monthly Charge and Setup pricing stated in the Information about Pricing section are based on new customers agreeing to waive the Customer Service Guarantee (CSG).
