Other Information

Usage Information

You can monitor your TPG Mobile usage by logging into Your Account online at www.tpg.com.au/account.

International Roaming

While roaming, calls, SMS, MMS and data are charged at higher rates than they are used in Australia.

Charges for using International Roaming are not part of your plan's Monthly Included Value. We highly recommend you disable Mobile Data (GPRS) before going overseas to ensure that you do not incur unexpected and high data usage fees whilst roaming.

Please be aware there is often a lag of up to 21 days before the roaming usage is shown in "Your Account" due to the delay in receiving your roaming usage records from overseas network carriers.
